

Parkinson's Patient Community Conference

A free, hybrid conference (virtual and in-person) for people with Parkinson's Disease and those who care for them.

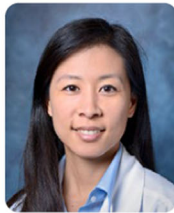

Saturday 4/27/2024

The Cedars-Sinai Department of Neurology is bringing the Parkinson's community together to educate and empower participants about the early signs of Parkinson's, new breakthrough medications, surgical interventions and current clinical research at the medical center.

Michele Tagliati, MD

Echo Tan, MD

Adam Mamelak, MD

Elliot Hogg, MD

Camille Malatt, MD

Yvette Bordelon, MD, PhD
